

APPENDIX E

Additional Contributors

In addition to those persons and agencies listed in the Acknowledgements, many people contributed to the production of this manual.

Editorial assistance and graphic design was provided by Kathleen Dalton, Deborah Dennis, Terri Hay, Aaron Seaman, and Janet Mattox at Policy Research Associates, Inc. in Delmar, New York. Westat, Rockville, MD, provided additional publication assistance.

Throughout the course of developing the manual, invaluable feedback and suggestions were received from the project's Technical Work Group, including April Davis, Kristina Hoglund, Ken Kraybill, Ginny Lilly, Lonnie Mann, Peter McKee, Scott McNeilly, Andrew Posner, Connie Schlittler, Robert Smith, Debbie Webster, Dorothy Williford, and Linda Wren. Work Group members include consumers, case managers, case management supervisors, State PATH contacts, Health Care for the Homeless program staff, community mental health agency staff, and disability rights attorneys who help people who are homeless and who have serious mental illnesses to obtain disability benefits. Jean Hochron of the Health Resources and Services Administration provided invaluable suggestions.
